

TO PROBE OPERATION OF PRESS BUREAUS

Will Determine to What
Extent Publicity Agents
Influence Legislation

WALL STREET MEN TODAY

Today's Hearing Will be De-
voted Primarily to the Testi-
mony of Wall Street Men

SECURE NEW INFORMATION

WASHINGTON, July 1.—With witnesses headed for Washington from many directions to testify on the newest developments in the senate's lobby investigation, Chairman Overman tonight gave a hint of further sensations in the committee's activities. An inquiry has been under way for some time, it is understood, into the operation of paid press bureaus conducted by large corporations and interests and the committee expects to determine to what extent paid publicity agents are employed to attempt to influence public opinion or direct federal legislation. The charges of Martin M. Mulhall, former representative of the Manufacturers' association, regarding his lobbying operations will not be formally opened until next Tuesday. Tomorrow's hearing will be devoted primarily to the testimony of Wall Street men believed to have information as to lobbying activities in New York in which the names of congressmen were freely used. Developments today indicated that officers of the senate and members of the lobby committee have been secretly busy for several days securing the new information, the nature of which is now concealed. Senator Reed, who went to New York yesterday, is said to have acted for the committee unofficially in the obtaining of information and the names of desired witnesses. Interest centered again today about the charges involving many present and former members of congress contained in the correspondence Mulhall has made public covering his eight years of service as an agent of the National Association of Manufacturers. A demand will be made in the house tomorrow by Representatives Shirley of Kentucky and Neely of Kansas for an immediate investigation of the Mulhall charges by that body.

Propose Special Committee.
Both Representatives propose a special committee of five to take up the allegations made by Mulhall, that the Manufacturers' association financed campaigns, elected and defeated congressmen, dictated legislation and controlled the make-up of committees.

The senate committee has secured the Mulhall papers, however, and propose to hold on to them for their inquiry. A subpoena served on Louis J. Seibold of the New York World required him to produce the mass of letters and documents turned over to the World and James A. Emery, representative of the National Association of Manufacturers in Washington, also has been subpoenaed to bring all his papers bearing on legislative activities.

Senator Overman declined to reveal the extent of the proposed investigation into paid press bureaus further than to say that "other developments are coming."

The committee learned during its investigation of so-called sugar lobbyists that large sums had been spent for publicity and for contracts covering certain kinds of news services. It is understood that efforts will be made to determine the extent and character of all paid news services that are connected with the influencing of legislation.

"Was Never Employed."
San Francisco, July 1.—Broughton Brandenburg never was in the employ of the National Association of Manufacturers. This was the reply today of John Kirby, Jr., former president of the association, when he was shown despatches from Washington reporting the charges made there by Samuel Gompers. These charges were in effect that Brandenburg went to Gompers and attempted to bribe him to give his fight for labor legislation, intimating that the National Association of Manufacturers would make him financially safe for the rest of his life.

Mr. Kirby, David M. Parry, also a former president of the association, and J. P. Bird of Hastings, N. J., general manager of the association, left tonight for Washington, in obedience to notification from the sergeant-at-arms of the senate that their testimony was required by the committee investigating the activities of lobbyists.

Mr. and Mrs. Kirby and Parry were to have sailed at noon on the Ventura for Australia where they planned to make an investigation of the relations between capital and labor and the state in the anti-podes.

They cancelled their reservations half an hour before the liner cleared, at an expense to the party, they estimated, at \$3,000.

Except for the denial that Broughton Brandenburg had ever represented the National Association of Man-

HOLDS OFFICIALS FOR MANSLAUGHTER

VERDICT OF CORONER'S JURY INVESTIGATING GRADECROSSING ACCIDENT

Recommends Release of Motorman and That Officials of Metropolitan West Side Elevated and Aurora, Elgin and Chicago Railways Be Held.

CHICAGO, July 1.—Coroner's jury investigating the grade crossing accident causing the death of George M. Scott and his niece, Mrs. Harriet W. Smith a week ago, to day recommended that the presidents, general managers and boards of directors of the Metropolitan West Side Elevated road and the Aurora, Elgin & Chicago railways be held for manslaughter. It also recommended the release of Martin F. Barry, motorman of the electric train which struck the automobile in which Mr. Scott and Mrs. Smith were riding.

Britton I. Budd is president of the West Side Elevated and E. C. Noe, is general manager. L. J. Wolfe of Cleveland, O., is president of the Aurora Electric and E. C. Faier is vice-president and general manager.

The directorate of the West Side road comprises Samuel Insull, Ira M. Cole, Henry A. Blair, Frederic A. Delano, Addison L. Gardner, Howard G. Hatzler, Paul D. Sottin, J. J. Gilchrist, William A. Fox and Charles H. Ireland.

P. E. Meyers, of Ashland, Ohio; W. F. Hayden, of Chicago, E. J. Pfeiffer and C. J. Jones are the directors of the Elgin, Aurora and Chicago railway.

The verdict said in part: "We are of the opinion that the management of the Metropolitan Elevated railway company is to blame for the occurrence due to the fact that the gates were up when the accident occurred and no person was on duty to operate them; on account of the company not stopping its trains on the near side of the road and on account of the position of the motorman's booth preventing his seeing of the left side of the train."

**CHICAGO WOMEN
CELEBRATE INDEPENDENCE**

Women Representing Many Societies Active in Obtaining Passage of Suffrage Bill in Parade.

Chicago, July 1.—Chicago women celebrated their political independence today when 200 women representing a score or more societies active in obtaining the passage of a woman's suffrage bill paraded Michigan avenue in gaily decorated automobiles. The bill granting equal suffrage to women for all offices not specifically forbidden by the state constitution became a law today.

The line of parade was indicated by young women bearing yellow banners and yellow balloons. Fifty thousand persons, it is estimated, lined the streets on which the parade took place.

The first motor car directly followed by a platoon of mounted police contained state and city officials who had given their aid to passing the law enfranchising women. After these rode the "big five" women who were most active at Springfield in working for the interests of the measure, Mrs. Catherine Waugh McCulloch, Mrs. Grace Wilbur Trout, Mrs. Sherman Booth, Mrs. Antoinette Funk and Mrs. J. Medill McCormick.

The second division comprised members of women's organizations among them being the Chicago political equality league, University of Chicago delegations, Illinois Equal Suffrage associations, the Women's Party, No vote, no tax league, Mens' Equal Suffrage association, Human Rights party, Chicago Teachers' Federation, Women's Trade Union league, Women's club, Womens' City club and a dozen others from the various suburbs.

HEADS QUINCY HIGH SCHOOL.
Quincy, Ill., July 1.—Prof. Zens L. Smith was today elected principal of the Quincy High school to succeed S. W. Ehrman, of Decatur. Mr. Smith is a son of Rev. James R. Smith, pastor of the First Congregational church of this city, and graduated from the local high school in 1906. He has been a member of the faculty for the last three years teaching mathematics.

ALLOWS INJUNCTION ORDER.

Dayton, O., July 1.—In a common pleas court decision rendered Tuesday, Judge A. C. Risner, of Eaton, O., allowed a perpetual injunction against restraining the colored organization known as the Improved Benevolent and Protective Order of Elks of the World from making further use of the name of "Elks" or any of the designated or emblematic possessions of the white B. P. O. E. in the state of Ohio.

Manufacturers none of the party would make any comment on Samuel Gompers' accusations. Instead they gave out a signed statement that the Mulhall affair had been engineered in an attempt to destroy the association.

In this statement organized labor was denounced as "the greatest criminal trust the world has ever known" and openly declares the association has steadily fought "trust" but at the same time denies they illegally attacked or in any way misrepresented it.

MAKES FIRST FLIGHT ACROSS LAKE MICHIGAN

AMATEUR AVIATOR MAKES SUCCESSFUL TRIP FROM ST. JOSEPH

L. A. Vilas and Passenger Make Journey to Chicago in Hydro-Aeroplane in One Hour and Thirty Four Minutes—Follows Same Route As Lake Steamers.

CHICAGO, July 1.—Logan A. Vilas, an amateur aviator of Chicago made the first aeroplane flight across Lake Michigan today. His trip made in a hydro-aeroplane from St. Joseph, Michigan to Chicago, consumed one hour and thirty-four minutes, about half an hour more time than the aviator had estimated it would take. Vilas was accompanied by William Bastar, of Benton Harbor, Mich.

The course from St. Joseph, Mich., to Chicago is about 58 miles in length and Vilas, following the route on which lake steamers travel would have crossed from shore to shore in an hour, he said, had not currents interfered with him. These caused him frequently to change the level on which he was flying and his height varied from 1,000 feet to 300 most of the way. A west wind blew against him at the start but the air was nearly calm as he approached Chicago.

Though 50,000 persons lined Michigan avenue to watch the suffrage parade and 40,000 were in the Grant Park stadium nearby, Vilas' arrival in the Yacht Harbor off Grant Park was seen by comparatively few persons. He was in a few miles of the shore when he was first sighted although the horizon had been scanned for an hour without glasses. His landing from a height of about 800 feet, was made by volplaning and his machine glided quietly into the water inside the breakwater. Under his own power Vilas skimmed the machine to the shore.

**SULZER NAMED AS DEFENDANT
IN BREACH OF PROMISE SUIT**

Governor of New York Declares His Merely Another Story Started By His Enemies.

Philadelphia, July 1.—William Sulzer of New York, was named as the defendant in a breach of promise suit when a summons in trespass was issued here today. According to the plaintiff's attorney the defendant is Governor William Sulzer of New York.

The plaintiff is Miss Mignon Hopkins, an attractive woman of about 35 years, who formerly lived in Brooklyn but who is now employed in a department store in this city. No papers have been filed except a precept giving the names of the plaintiff and the defendant, Counsel for the young woman first applied for a capias which would have permitted of Sulzer's arrest should he appear in this state. The judge before whom the application was made refused the order and suit was then begun in the ordinary manner.

Tonight the young woman's counsel declined to discuss the case, but it is reported that the alleged contract for marriage was made Sept. 15th, 1903 in New York city. Miss Hopkins, who resides here with two sisters also refused to talk but admitted that Governor Sulzer is the man referred to in her suit.

"Nothing to the Story."
Albany, N. Y., July 1.—"Nothing to it. Merely another story started by my enemies."

This was Governor Sulzer's reply today when questioned concerning the suit brought against him by Miss Mignon Hopkins of Philadelphia.

The governor refused further to discuss the case.

FOUND GUILTY OF MURDER.

Glenwood, Ia., July 1.—Francisco Guey, charged with murder in Council Bluffs of Howard Jones, a railroad man, was tonight found guilty of murder in the first degree and sentenced to life imprisonment. It was the murder of Jones which caused the demonstration a few weeks ago during which much damage was done to property belonging to Italians and Greeks and required the presence of militiamen to establish quiet.

A change of venue was granted the murderer because of feeling against him in Council Bluffs.

**AUTHORIZES APPOINTMENT
OF INVESTIGATING COMMITTEE**

St. Louis, Mo., July 1.—The city council of East St. Louis, Illinois today authorized the appointment of a committee to investigate charges of bribery made in the sworn confession of former Councilman Joseph A. Fanser. The committee was given one week to conduct its inquiry.

CONVICTED OF BRIBERY.

Webster Springs, W. Va., July 1.—State Senator Smith was convicted of bribery tonight in connection with accepting \$2,200 to vote for Col. William Seymour Edwards as a candidate for the United States senate. After a prolonged trial the case went to the jury shortly after 4 o'clock this afternoon.

Kansas City, Mo., July 1.—Miss Majorie Hires and Miss Marion Soule of Kansas City won the women's doubles tennis championship of the central west here today by defeating Miss Evelyn Seavey and Miss Margaret Johnston, also of this city 6-2, 6-4. This closed the tournament.

READJUSTMENT OF STATE DEPARTMENTS

Greatest Shake up Caused
by Consolidation of Game
and Fish Departments

NO APPOINTMENTS MADE

Governor Dunne Has Not Yet
Made Appointments to
New Positions

SPEAKER ISSUES STATEMENT

SPRINGFIELD, Ill., July 1.—Two state boards went out of commission today, another—the railroad and warehouse commission—gives way the first of next year to the public utilities commission and a number of employees lose their positions as the result of acts of the forty-eighth general assembly which became effective July 1, 1913. The greatest shake-up is caused by consolidation of the state game and fish departments. The appointments to the positions in the new department have not been made by Governor Dunne, who today placed W. F. Fossett of Illinois in temporary charge.

A temporary appointment was also made for chief of the new state highway commission created by the Tice bill, H. B. Agge, of Chicago, who has been connected in an engineering capacity with the old highway commission was appointed chief engineer to serve until such a time as a permanent appointment is made by the governor.

Other boards hard hit in the curtailment of appropriations are: Barbers' board, whose six inspectors were cut off, leaving only the board of three members.

Board of arbitration, with only the salaries of the three members left at \$1,200 each.

State board of labor statistics, appropriation for statistician vetoed. The first formal application for a place on the new public utilities commission was made today by former Congressman Elchan. He was announced as a Democratic candidate for governor in the primaries a year ago, but subsequently withdrew.

Among the Republicans mentioned for minority appointment on the commission is former Governor Richard Yates of this city and O. F. Berry of Carthage, present chairman of the railroad and warehouse commission.

Governor Dunne spent most of the day at the executive mansion and refused to receive callers. He is still grappling with the problem of separating the wheat from the chaff in the elections contests appropriation bill, carrying a total of \$68,000.

McKinley's Statement.
Speaker William McKinley, in a statement issued tonight, enumerated the bills passed by the house, and relative to the assembly which adjourned yesterday, says in part:

"The forty-eighth general assembly will go into history as the most progressive Illinois has had in many years. The assembly has been referred to as an 'unorganized mob.' I suppose those who use that expression mean that it was without bosses. It was the first time in many years that no party had a controlling vote in either house. The several parties were sub-divided into factions."

"When one considers the irresponsible situation, the wonder is that anything important got through both houses."

"For myself, I believe the public sentiment which was back of Governor Dunne in his demand for reforms was responsible for the list of praiseworthy measures which the legislature enacted."

After listing bills passed, he said: "I submit that this is a programme that carries Illinois into the list of progressive states of the nation. We should not be too hasty to criticize our legislature. Rather, we should make it for the things it was asked to do and did not do. Many things it left undone that should have been done, but many more things it left undone that should have been left undone."

"The house of representatives has been criticised for the tardiness of action and part of the blame is placed on the late appointment of committees. Before and after my election as speaker, I favored the appointment of committees by the house itself. I still think the house should have appointed its own committees."

"The most active of the house committees—like the appropriations and judiciary committees, were appointed as early as could be expected. Comparatively few of the important committees were appointed late. I used what care I was capable of in selecting committees—I sized up the men in the house, few of whom I had previously known, as quickly as I could, and I defy anybody to say that any committee was 'packed' for the purpose of stifling any legislation."

Members of Commission.
Governor Dunne today named the following as members of the commission, under whose directions a celebration of the fiftieth anniversary

APPROACH FINAL AGREEMENT ON BILL

CAUCUS AGREES ON SEVERAL IMPORTANT CONTESTED POINTS

Decide to Exempt Earnings Which Mutual Life Insurance Companies Later Distribute to Policy Holders.

WASHINGTON, July 1.—Senate Democrats approached annual agreement on the Underwood-Simmons tariff bill in caucus late to day when they made the following decision on important contested points:

Mutual life insurance companies were exempted from payment of income tax on premiums returned to policy holders in the form of dividends.

A stamp tax of one tenth of one cent per pound in all trading in cotton futures the tax to be refunded where cotton is actually delivered.

An agreement was reached for a vote tomorrow on the Hitchcock amendment proposing a tax on tobacco.

The finance committee members held another meeting tonight to decide questions referred back from the caucus. The caucus will resume work tomorrow and it is believed the final paragraphs will be reached before night. The decision to exempt earnings which mutual life insurance companies later distribute to policy holders came at the end of a long debate. The caucus last night by a vote of 13 to 11 overturned the recommendation of the finance committee Democrats that such exemption be made. On a reconsideration to day asked by Senator Lewis the caucus reversed the action and voted to uphold the committee.

Senator Overman tried vainly to have the tax on cotton futures cut down from the one-tenth of one cent basis proposed by Senator Clark to one twentieth of one cent.

Senator Hitchcock's fight to secure the adoption of his tobacco tax amendment, which embraced the views set forth some time ago by Attorney General McReynolds for curbing the growth of the rust was carried until adjournment tonight and will be renewed tomorrow.

Members of the finance committee decided against the amendment which would impose a heavy tax on production above a certain figure. Senator Hitchcock also will propose tomorrow, a companion amendment for a tax on the production of all corporations amounting to the production in their line of industry and will attempt to have both amendments made parts of the tariff bill.

ELECTRICITY GENERATED AT DAM TURNED INTO ST. LOUIS WIRES

Keokuk Water Power Plant Feeds Electricity to St. Louis 137 Miles Away.

St. Louis, Mo., July 1.—Electricity generated by water power dam across the Mississippi river at Keokuk, Iowa, was turned into the wires of St. Louis during the rush hours two thirds of the street cars in the city were propelled by the new current. All industrial motors in the city were driven by the same power. By the end of the week, practically all the street car motors and electric lights in St. Louis will be operated by electricity generated by the waterpower plant 137 miles away. St. Louis is the largest city in the country supplied with waterpower.

SUES FOR ALENATION OF WIFE'S AFFECTIONS

Joply, Mo., July 1.—Walter M. Robinson, 60 years old, a former judge of Missouri supreme court is defendant in a suit for \$50,000 filed in circuit court here today by Charles B. Killingsworth, a street car motorman of Webb City, who alleges Judge Robinson alienated the affections of his wife, Mella Killingsworth.

CELEBRATE AT NEWPORT.

Newport, R. I., July 1.—Progressives will mix patriotism with politics at Newport Beach for the next two days in celebration of the party's anniversary.

Colonel Roosevelt is announced as the big drawing card but there will be other distinguished speakers, a naval review, music, fire works and a monster clam bake.

of the freeing of the negro from slavery in the United States will be held during the year 1915.

The members of the commission are:

Mrs. Susan Lawrence Jorgenson, Dahl, Springfield.

Right Rev. Samuel Fallows, Chicago.

Rev. A. J. Carey, P. H. D., DD., Chicago.

Major George W. Ford, Riverton.

Major Robert R. Jackson, Chicago.

Senator W. D. Duff Pierce, Mt. Vernon.

Senator John Dalley, Peoria.

Representative Medill McCormick, Chicago.

Names Members of Committees.
Speaker McKinley of the house today named the following house members of joint committees created by the forty-eighth general assembly:

Committee to investigate state bureaus and commissioners, purpose of consolidation—Representatives

PROSPEROUS YEAR FOR UNCLE SAM

CLOSE OF FISCAL YEAR SHOWS SURPLUS OF \$40,083,229

Corporation Taxes, Custom Receipts and Internal Revenue Receipts All Show Increase Over Previous Year—Nearly \$41,741,000 Was Spent on Panama Canal.

WASHINGTON, July 1.—Uncle Sam closed the fiscal year 1913 with a surplus of \$40,083,229, representing the excess of receipts over expenditures, exclusive of Panama canal and public debt transactions, however, wiped out the surplus of ordinary receipts over ordinary expenditures and created a deficit for the year of \$2,149,000.

Total receipts for the fiscal year amounted to \$723,782,921 while the ordinary disbursements were \$683,699,692.

Corporation taxes yielded the government \$34,948,870 or \$3,365,766 more than during the fiscal year 1912. While custom receipts for the past few months have shown a decrease as is characteristic of a tariff revision period, the total for the fiscal year reached \$318,142,000, an increase of nearly \$7,000,000 over the previous year.

The record drinking and smoking of the American people during the past twelve months brought the federal government the enormous total of \$309,478,000 in internal revenue receipts, which was \$16,500,000 greater than in 1912 and one of the highest amounts on record.

Under the first year's operation of the new pension law the government paid veterans and widows \$175,134,000, an increase of \$21,537,000. The fiscal year closed with \$164,104,000 in the general fund of the treasury as compared with \$167,152,000 a year ago.

The cash drawer of the treasury contains \$65,253,000 as the working balance of the government. The trust funds of the treasury include \$1,086,727,000 in gold coin and bullion.

The government spent \$41,741,000 on construction of the Panama canal during the past year, making a total of \$318,229,000 spent on the canal to date, of which \$179,628,000 has been paid out of the general fund of the treasury and the balance from the proceeds of bond sales.

The mints coined during the year \$37,147,000, of which \$30,058,000 was in gold.

The 7,492 national banks now in existence have a total outstanding circulation of national bank notes of \$737,065,950.

Secretary McAdoo tonight announced that the daily treasury statement in future would be issued in a completely changed form, designed to show at a glance the assets and liabilities of the government. It will be in the nature of a budget statement at purpose of indicating from day to day whether the government revenues are pressing on a surplus or deficit basis.

The first issue of the new statement will appear tomorrow and will show, the secretary said, that the grand total of assets of the government is nearly \$2,000,000,000 against which there are liabilities including the gold and silver certificates aggregating about \$1,725,000,000, leaving balances in the treasury from \$250,000,000 to \$275,000,000, including the gold reserve of \$150,000,000.

EMANUEL ABRAHAMS DIES OF APOPLEXY

Chicago, July 1.—Emanuel Abrahams, alderman of the twentieth ward died at a hospital here tonight, two hours after he had been stricken with apoplexy at the city hall.

Abrahams was a member of the state legislature and voted to elect William Lorimer to the United States senate and according to the testimony presented to the senate commission he was the "bell wether" of the house. By reason of his name he was the first to vote in the roll calls.

MINERS ARE RESCUED.

DuQuoin, Ill., July 1.—Four hundred coal miners were rescued from the Paradise mine near here, which caught fire to day. Charles Matthis, chief engineer, stood at his post a few feet from the burning coal chutes and worked the hoist that brought the men up the shaft in spite of heat that blistered his hands and singed his hair. When the last man was rescued, Matthis fell unconscious. He was taken to his home in a serious condition.

**WEATHER INDICATIONS
AND TEMPERATURES**

Washington, July 1.—For Illinois—Local showers Wednesday; Thursday fair, somewhat warmer, light variable winds.

Temperatures.

Chicago, July 1.—Current, maximum and minimum temperatures today were:

ARMIES OF NORTH AND SOUTH HEAR ORATORS

Veterans Listen to Governor Tenor and General Bennet H. Young

OVER 50,000 PRESENT

It Is Estimated That 50,000 Men
are Quartered in a Camp
Intended for 40,000

MANY WAIT TO HEAR WILSON

GETTYSBURG, Pa., July 1.—In the pitiless glare of a sun that sent the mercury bubbling over the hundred mark and made clothes a burden and a bath only a delusion, the armies of the north and south to day began the formal exercises set to mark the semi-centennial of Gettysburg. Veterans to the number of 15,000, the army officers estimated, filed into the big tent set apart for exercises sat in the haze of heat for two hours and shook camp with their cheers when speakers made reference to a reunited nation. Every seat under the canvas was taken long before Secretary of War Garrison and Governor Tenor the orators of the day arrived. Although the men in grey were far outnumbered by those in blue what the southerners lacked in numbers they made up in lung power.

When Governor Tenor finished his speech General Bennet H. Young, commander-in-chief of the United Confederate Veterans, rose slowly and bowed to him.

"I can give you something that no one else can give you," he said. "We will now give you the rebel yell."

Nine famous confederate generals and a thousand veterans of the south gave it so loudly that it was heard far back in the camp toward Gettysburg. When General Young stepped forward to deliver his address he was greeted with wild enthusiasm, the Union Veterans led by Commander-in-chief Peters, giving him three lusty cheers and a "tiger."

Give Credit to Northerners.
He took as his keynote the conviction of each side in the great struggle that it fought for a principle which it believed was true. One of his opening statements was that the northern soldiers deserved more credit than the southerners for the promulgation and successful realization of the present great reunion which he characterized as the greatest movement of its kind in the world.

This compliment to the northern veterans was greeted with loud cries "no" to which General Young quickly replied, "I know better than you do."

Among the two hundred guests on the platform were Governors Mann, Virginia; McCrory, Kentucky and Eberhardt, Minnesota; Senator Penrose of Pennsylvania and the following confederate generals: Robinson, Texas; West, Georgia; Thomas J. Shafer, Louisiana; A. D. Williams, Florida; E. M. Law, Florida and Carr, North Carolina.

The invocation was delivered by Rev. George Edward Lovejoy, Chaplain in chief of the grand army of the republic.

Estimate 50,000 Present.
Late to day Major Normyle second in command to Brig. Gen. Liggett estimated that more than 50,000 men are quartered in a camp intended for forty thousand. Through special efforts, however, every man has been cared for as well as possible.

Thousands have been given quarters in the big tent and hundreds of others in smaller tents used in the day time for speech making and reunions. No officer cared to estimate the number of Southerners here. There are more than 3,000 from Virginia and it is probable that one quarter of the total number is represented by the men from Dixie.

Many veterans got no further than one meal in camp and one look at the crowded tents and then started back home as quickly as they could go. The real exodus however will not begin until Thursday or Friday for thousands who might have left sooner expected to stay over the Fourth and see President Wilson.

Before the morning exercises began and after the veterans quartered in the big tent made their slim toilet the reunions of regiments and companies and squadrons begun.

Confederates who were in Picketts charge took keen delight in marching with life and drums to Spanglers Grove where the columns of Pickett formed on July 1st '63 to battle the charge that marked the high tide of the lost cause. They didn't charge again like they once did but they remember or thought they remembered and nobody said them nay, every stick and stone and even the blades of grass in that wide stretch where death kept step with them before.

On the edge of the union side of the camp the veterans of Meredith's Iron Brigade and of Pettigrew's of North Carolina, got together to go over the story of the fight of the first of July. The struggle between the regiments of these two brigades was the most disastrous in number of those killed in the entire days of the fighting and was equalled in the whole history of the war. They met to day many of

ASSESSMENT FIGURES HAVE BEEN COMPILED BY MR. COX

Property Values in the County Shown to Be About \$700,000 Greater Than in 1912—Increase in Jacksonville Also.

Tuesday County Assessor and Treasurer Jerry Cox and his assistants completed the work of compiling the assessment figures for the county of Morgan showing an increase in property valuation since last year of \$681,025. This year the total of real and personal property is \$48,074,085 and last year the figures were \$47,393,060. The figures for Jacksonville are person-

al property in 1912, \$3,360,158 and this year \$3,583,563 showing an increase of \$223,405. The number of dogs in the county seem to have decreased as this year there are but 1766 and last year there were 1859. In Jacksonville there are 357 dogs this year while there were 275 last year. The books will soon be in the hands of the county clerk now and after the board of review has completed its work the work of tax extension will be actively taken up. This will be in the latter part of August. Some comparative figures for Morgan county including Jacksonville and for Jacksonville separately for this year and last are given here with.

YOUNGBLOOD PRAIRIE.

C. E. Rees of Santa Anna, Calif., is visiting with his daughter, Mrs. Hull, and other relatives and friends here.

Ernest Henry lost a valuable horse from overheating Saturday. Wilse Hettie spent Saturday night with Eli Smith of near Scottville and went fishing to Big Apple creek.

Mrs. Elmer Newby underwent an operation at Our Savior's hospital in Jacksonville some two weeks ago. She was able to come home Saturday.

Mrs. J. W. McLaughlin, who has been at Our Savior's hospital in Jacksonville, was able to be moved to her mother's, Mrs. Margaret Cooper, Friday.

Thomas McLamar of Murrayville has been here helping cut wheat on his farm this week.

W. S. Denham was here Wednesday looking after the interest of his store.

J. W. McLaughlin visited his wife at the hospital in Jacksonville Friday.

The following of our boys left for Kansas to harvest Thursday: Edgar Morris, Charles and Ernest Hopper, Fred Henderson, Claude Starnay and Jesse Triple.

J. E. Rawlings of Denham store force was in Jacksonville purchasing goods for the store Saturday.

C. F. Story was a county seat visitor Saturday.

Charles Thorp moved to Waverly Thursday.

N. F. Edwards has added several new tools to his blacksmith outfit.

Mrs. Ray Campbell was among the excursionists who went from Jacksonville to Keokuk on the excursion last week.

David Nielson went to St. Louis with two loads of hogs Friday.

W. D. Denham is contemplating trying an automobile truck wagon

for his use here for light hauling and quick delivery for his store during the hot season, as it would be much cheaper and quicker than the horse.

SINCLAIR.

T. N. Fox shipped a car load of hogs Tuesday.

Mr. Armstrong shipped two car loads of walnut logs recently.

of friends. Both vocal and instrumental by overheating.

E. E. Fox and wife were taken by surprise Saturday night by a crowd of friends. Both vocal and instrumental music was enjoyed.

M. G. Fox and Matt McNeal visited Mrs. Malone of Prentice recently.

Mrs. N. T. Fox and Mrs. James Bingman visited M. G. Fox one day last week.

Mr. and Mrs. James Bingman presented their daughters, Irene and Estelle, with a new piano.

C. E. Williams has returned to his home on North Main street after a visit with his sister, Mrs. J. M. Tweedy in Springfield.

SEEK STATE AID FOR ROAD FROM JACKSONVILLE TO MEREDOSIA

Property Owners Organize to Take
Advantage of the Tice Good Roads
Bill.

The Jacksonville-Meredosia Good Roads association was organized Tuesday at an enthusiastic meeting in the court house. The objects of the association are to arouse property owners to the importance of the good roads question to secure state aid for the road's improvement as provided for in the recently passed Tice Good Roads bill. The association will bring the matter before the county commissioners and the members of the state highway commission as soon as possible and hope by means of the aid thereby gained to make the road between this city and the river into a well-built and easily traversable highway.

The association starts with a charter membership of 17. Anyone may join who is interested and pays the annual dues of 50 cents. John W. Cleary is the president and John Berger the secretary. Many more property owners residing on or near the road would have been present at the initial meeting had it not been for the rain which made auto traveling impossible. Many farmers some distance from the road will join the organization, realizing the advantage to the locality of having this highway in constant good condition.

In accordance with the terms of the Tice bill certain roads are to be designated for state aid and it is the purpose of the men who are organizing the Jacksonville-Meredosia association to get early into the game and have the road they represent chosen for a part of the favored highways. The association is not antagonistic to other localities but will simply seek to impress upon county and state officials the very good reasons which exist for putting this road into condition. A. L. French had a copy of the road law with him and when questions were asked he looked up the section of the law bearing upon the inquiry.

The Jacksonville-Meredosia road after leaving the city is known as the Old Distillery road. It passes north of Chapin and runs west through the old village of Bethel to Meredosia. It is 22 miles in length.

Those who joined the association Tuesday are A. L. French, Richard Leake, H. A. Brockhouse, C. S. French, L. E. Deppie, R. L. Estes, C. E. Drake, Phil Hinners, Claus Hinners, George Unland, James Gallo-way, E. R. Carter, J. W. Clary, T. H. Pratt, J. P. Joy, H. L. Deppie and J. S. Berger.

Secure your choice from a large assortment of traveling bags at greatly reduced prices this week of FRANK BYRNS' Hat Store.

LINEMEN WANT RAISE.
Linemen of the Wabash railroad have asked the general management for a raise in pay of five dollars per month. The request was made several weeks ago, but the news of it has just leaked out. There are about twenty linemen employed all over the Wabash system, and each is getting, it is understood, \$70 per month. This is said to be less than is paid on other roads the size of the Wabash.

Ice cream social at Brooklyn church, July 3.

GIVES FINE PROGRAM
IN FOND DU LAC.

Mrs. Florence Pierron Hartmann, who is head of the vocal department of the Woman's college is visiting at her old home in Fond du Lac, Wis. Last Friday evening she gave a concert there and received a great ovation for her musical efforts. After every group of songs Mrs. Hartmann was compelled to respond to encores and a friendly feeling between singer and audience was quite noticeable. The "Daily Commonwealth" of that city in speaking of her voice said: "Mrs. Hartmann's work is too well known here to make extended comment necessary but her hearers Friday were struck anew with the finished quality of her singing, the perfection of each detail of tone and expression. Her usually sympathetic rendition of a most difficult and varied program, the varying qualities of her always musical tones—now rich, full, powerful, then low, sweet and tender, now tragic, then pathetic, roused her hearers to enthusiasm and they would willingly have had the program prolonged.

Tents, stack covers and gold medal camp furniture at Carley's.

CHILDREN'S DAY AT
NEW HOPE CHURCH.

The Children's day exercises at New Hope church Sunday, June 29, were largely attended, the church being crowded. The decorations, were carefully and attractively arranged. The committee in charge was Mrs. Ed Bingman, the teacher of the Junior class, with Mrs. Essie Mansfield and Mrs. Anna Mansfield assistants. Miss Maude Wyatt presided at the organ. A very nice collection was taken for the Sunday school, showing how well the program was appreciated.

FARM LAND BRINGS GOOD PRICE.
John W. Boston recently sold eighty acres of his farm two miles east of Jacksonville at \$225 per acre. The land is without improvements, although well located and the price indicates that Morgan county farms are not lowering in value.

TRESPASS SUIT FILED.
G. F. Covey by his attorney T. F. Smith has filed a suit for trespass directed against Ada Lewis and A. W. Abbott. Damages are asked in the sum of \$5,000. Only the praecipe has been filed.

WILL BUILD HOME.
Jack Rodriguez who recently sold his property on Freedman street to Mrs. Robert Landreth will give possession within a few days. This fall he expects to build on a ten acre tract he owns fronting on Walnut street.

"Bargains Follow Bargains"

The bargains of the past predict the bargains of the future. As the June bargains established new records so will the July specials still further our prestige.

PASSAVANT HOSPITAL NOTES.

Visitors at Passavant hospital yesterday were Dr. H. T. Duffield of Pittsfield; Dr. W. N. C. Smith of Godfrey; Messrs. Stone of Pittsfield; Mrs. Mary Warner of Pittsfield; Mrs. Ella Watt of Winchester; A. L. McDaniels of Pittsfield.

Mrs. Katherine Prather, a nurse at the hospital is taking her vacation. She will spend the time with home folk in Winchester and also visiting relatives and friends in Pittsfield.

Mrs. Katherine McClellan, a graduate nurse at the hospital has taken a position as head nurse at the Maplewood sanitarium.

INVINCIBLE BIBLE CLASS.

The Invincible Bible class in their regular monthly meeting elected the following officers: President, Geo. Souza; vice-president, Earl Vasconcellos; secretary, Vincent Vieira; treasurer, Chas. E. Patterson. They decided to give a social on the 17th at the Independence school house.

WILL STUDY IN NEW YORK.

Miss M. Maude Smith of 138 Park street has left for New York City for the summer. She will pursue art studies in the University of the City of New York.

A Special "Don't"

DON'T use a cough medicine that contains opium or morphine. It may stifle the cough, but it will constipate the bowels, keep the poison in the system, and NOT cure the cold. Take Foley's Honey and Tar Compound. It contains no opiates, is soothing and healing, mildly laxative. It is a safe and reliable curative medicine. City Drug Store—J. A. Obermeyer.

DISPOSES OF JACKSONVILLE
FRANCHISES.

The fact that Gov. Dunne signed the bill creating a public utility commission has special local interest from the fact that it put an end to local franchise matters which have been held in abeyance for the past two years. A year or more since the people voted down the franchise granted to the Jacksonville Railway company and since that time another one for the railway, and gas and electric franchises have been pending. City Attorney Thompson was instructed several weeks ago to work out franchise ordinances and he was getting them ready. The bill just passed, however, transfers to the commission the authority to regulate utilities in this and every other city of the state. While the law does not go into effect until Jan. 1 it was hardly possible to get ordinances drafted, adopted and voted upon before that time without the appearance of rushing them through to circumvent the new law.

MISS GUILD APPOINTED
AS VISITING NURSE

Miss Morrison Will Take Course in Wesley Hospital.

Miss Sadie Guild, who has been appointed to succeed Miss Geneva Morrison as visiting nurse for the free clinic conducted by the Morgan County Anti-Tuberculosis society began her work Tuesday morning. Miss Morrison has resigned the position to take up hospital work and after a two months' vacation will go to Chicago where she will take a three year course at Wesley hospital. This institution is affiliated with the Northwestern University and the completion of the course at the hospital entitled the student to graduation with the regular classes of the university medical school.

Since the establishment of the free clinic in this city Miss Morrison has held the position of visiting nurse and the successful manner in which the work has been carried on is due, in no small measure, to her work. Her successor, Miss Guild, is a graduate of a nurse's training school in Princeton, Minn., and has been a resident of this city for the past three years.

VOLUNTARY INMATE SUFFERS
FROM STRANGE DISEASE.

Edward Neece of Waverly is the Victim of Rare Hereditary Malady Known as Huntington's Chorea.

In the hope that prompt medical treatment will cure the disorder from which he suffers, Edward Neece of Waverly allowed himself recently to be committed to the Jacksonville State Hospital. The hereditary nature of Huntington's chorea from which Mr. Neece suffers and the serious nature of the disease make early medical attention all the more desirable. The mother of the victim has been under treatment for the malady for some years at the hospital here and his grandmother died with it. Family records show that there were traces of the disorder among the ancestors of Mr. Neece in England.

Huntington's chorea is a rare and little known disease. It was discovered years ago by the county physician on Long Island who gave the disease his name. It can best be compared to St. Vitus dance, although it is of greater consequence in its later stages, when it produces total mental incapacity. Cases of the disease are seldom met with. A hospital the size of the local institution with twelve or fifteen hundred patients would hardly have more than a case or two of Huntington's chorea.

YATESVILLE.

We very much enjoy the interesting letters of D. K. McCarty, also the valuable information given by G. H. Hall about the weather. Write again and often.

Mrs. Clair Baker and son and Mrs. S. E. Bingham went to Jacksonville Saturday, where Mrs. Baker had a small tumor removed from her eyelid by Dr. A. L. Adams.

Mrs. W. H. Yancy is receiving medical treatment from Dr. Wait of Jacksonville for a lame arm, which has been giving her much pain for some time.

William Latham of Jacksonville is visiting at the home of her grandfather, S. C. Latham.

R. E. Bennett was overcome by the intense heat while at work in the harvest field for Roy Robinson Friday.

Mrs. K. Green and son, Olen, spent last Thursday with Mrs. Thomas Long near Jacksonville.

W. H. Yancy was kicked by a colt Sunday evening, necessitating aid from Dr. Harris.

Mr. and Mrs. M. Cashin and family spent Sunday at the home of Mr. and Mrs. Joseph Eldridge.

MERZ SOLD TO CARDINALS.

Otto Merz, a former pitcher on the Decatur baseball club when Decatur was a member of the Northern association, and who has been in action on the local field, is now the property of the St. Louis Cardinals. Merz was sold by Indianapolis when the Northern blew up.

HELD ANNUAL OUTING.

The children of the Parochial school held their annual outing at Nichols park Tuesday. They went to the park in a special car, with well filled baskets and it is needless to say that the outing was greatly enjoyed.

A lawn social will be given Thursday night at Rountt college.

FOUND MAN ASLEEP WHO
BURGLARIZED BARR'S LAUNDRY

Officers Capture Thief Who Entered Premises on West Morgan Street This (Wednesday) Morning.

Joseph Powers, who gave his address as Chicago and age as 18, was arrested this (Wednesday) morning at 2:15 o'clock for burglarizing Barr's laundry on West Morgan street. Shortly before 2 o'clock night watchman Jerry Sweeney in making his rounds noticed that the side door of the laundry was open. He entered the laundry and found everything upside down in the office, with the safe opened. Mr. Barr was notified and the police and Night Captain Trahey together with Officer Sweeney made an investigation of premises while going through the alley to the side of the laundry they heard man snoring in rear of the Covel grocery store. Captain Trahey flashed his light and there he saw a man asleep, sitting on a fence. When taken to police headquarters he was searched and there he confessed that he was the burglar. There was found on his person, fifty stamps, \$3.50 in money, fifty pennies, a cigar case, nine packages of needles. Mr. Barr identified all the things Powers had made a good search of the premises. He said that he found the safe unlocked and gained entrance by cutting out the screen of a window. He also had an umbrella, which he claims he got across the street where a body of men were meeting.

GRACE CHAPEL.

The Grace Chapel people are planning a grand celebration to be held at Grace Chapel, Friday, July 4. The services will begin at 2:30 p. m. Hon. H. H. Bancroft of Jacksonville has been secured to address the people and Floyd Williamson of Ebenezer will give a reading. There will be vocal and instrumental music. We cordially invite each one to attend this celebration; bring your friends and have the most enjoyable time of the season. The following refreshments will be served during the afternoon and evening: sandwiches and pickles, 5c; pie, 5c; ice tea, 5c; cream and cake, 15c.

Miss Alma Ogle desires to thank each one who helped her in the recent contest given by the Courier. The prize awarded her was a diamond ring, which she prizes very highly, not because of the effort she put forth in working for it, but because her many friends so kindly assisted her in securing it. We are glad to have such an ambitious, persevering girl in our midst, but best of all she does not expend all her talent in that line of work, but is a tireless worker in the Master's vineyard.

Mrs. Susan M. Smith departed Saturday to visit her son and daughter living in Shannandoan, Iowa. She was accompanied by her son, Alfred, and family of Decatur, Ill.

Mrs. Harry Brainer, Elmer Smith, Fred Brainer, Wm. Jones and Madie Ginder spent Thursday afternoon with Mrs. Elmira Wiswell and family.

Leslie Cline returned to his home in Glasgow Saturday.

Elmer Smith and family and Misses Alma and Edna Ogle and Lloyd Ogle attended the Sunday school convention in Concord Sunday afternoon.

MORGAN.

Mr. and Mrs. John Anderson and family spent Sunday at James B. Ogle's. Mr. and Mrs. Robert Cassin of Jacksonville spent Sunday with Geo. H. Coulson and family.

Dr. T. G. Eller of Chapin was a professional caller here one day last week.

George H. Coulson, Irvin Coulson, Harry Koch and Miss Emma Tom have were Jacksonville visitors Sunday morning.

Charles A. Taylor, Joe Stone and Chester Williams went to Meredosia Sunday to see the ruins of the fire. They made the trip with Lew Alderson of Chapin in his Holiday car.

Mr. and Mrs. Clyde Williams and daughter were Bluffs visitors Sunday.

Don't forget the Fourth of July celebration at Perib's grove, south of Chapin. See the big parade at 10 o'clock and then take your dinner to the grove and stay for the program in the afternoon.

WILL SPEAK TONIGHT.

Mrs. Mollie Jane Reed of Canton Ohio is visiting at the home of Mr. and Mrs. Clarence DePew. She is an elocutionist and appeared in the city last year. She will be present this evening at the Teachers meeting and prayer service at the Central Christian church and will be heard in both meetings.

WILL PREPARE FOR CAMPERS.

Robert Lorton expected to go to Meredosia today, where he will prepare "Fort Lorton" for a party of eight campers who are to follow later.

HAS NOT SOLD BOAT.

An item was printed recently stating that Ferdinand Strawn had sold his launch and house boat to James Landers. The information was incorrect as Mr. Strawn has not made such a sale.

FUNERAL NOTICE

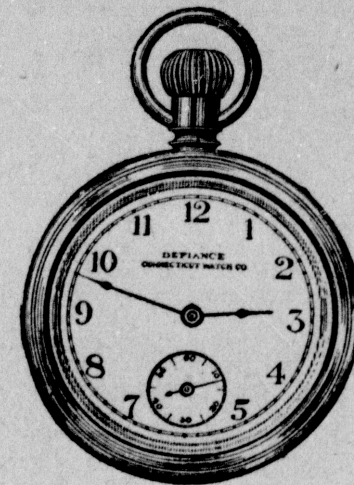

Funeral services for David Campbell will be held this afternoon at 2 o'clock at the Litterberry Baptist church. Interment will be made in the Litterberry cemetery.

REBEKAHS MOVE INTO

The members of Rebekah lodge No. 13 were busy yesterday moving into the new I. O. O. F. hall on East State street.

To The Young Expectant Mother

Women of Experience Advise the Use of Mother's Friend.

There is a certain degree of trepidation in the minds of most women in regard to the subject of motherhood. The longing to

possess is often contradicted by the inherent fear of a period of distress. But there need be no such dread in view of the fact that we have a most noble remedy in what is known as Mother's Friend. This is an external application that has a wonderful influence and control over the muscular tissues of the abdomen. By its daily use the muscles, cords, tendons and ligaments all gently expand without the slightest strain; there is no pain, no nausea, no nervousness, what was dreaded as a severe physical ordeal becomes a calm, serene, joyful anticipation that has its impress as our foremost teachers of Eugenics are striving to drill into the minds of the present generation.

In almost every community there are women who have used Mother's Friend, and they are the ones that recovered quickly, conserved their health and strength to thus preside over families destined by every rule of physiology and the history of successful men and women to repeat the story of greater achievement.

Mother's Friend is prepared after the formula of a noted family doctor by the Bradford Regulator Co., 138 Lamar Bldg., Atlanta, Ga.

Write them for their instructive book to expectant mothers. You will find Mother's Friend on sale by all drug stores at \$1.00 a bottle.

There is a wealth of instruction and comfort to be derived in reading this little book. It is plainly written, just what every woman wants to know, and will be a splendid little textbook for guidance, not only for yourself, but will make you helpful to others. And, in the meantime, do not fail to get a bottle of Mother's Friend at the drug store, and thus fortify yourself against any and all pain and discomfort.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpelide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of dandruff and to prevent baldness by feeding the germs which cause it, with Cantharides, Vasoline, Glycerine and similar substances which form the principal ingredients of most so-called hair growers.

Nowhere is Herpelide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp medicine manufactured.

Sold by leading druggists. Send for the circular to the Herpelide Co., Detroit, Mich.

For Sale at All Drug Stores.

WRITES OF COLLEGE DAYS OF SIXTY YEARS AGO

James H. Blodgett, a Member of Class of 1853 of Illinois College, Addresses Letter to Phi Alpha Society.

In 1853, sixty years ago, Illinois college graduated five students, James H. Blodgett, Eli C. Fish, Stephen A. Merrill, Paul Selby and Anthony W. Sydnor. Of the number three have passed to their reward, Mr. Selby, Mr. Fish and Mr. Sydnor. Mr. Merrill resides in Chicago and Mr. Blodgett is in the department of agriculture at Washington, D. C. Out of the class all were members of Sigma Pi society except Mr. Blodgett who was a Phi. It was one of the great disappointments to Mr. Blodgett that he was unable to attend the recent triennial of Phi Alpha society and the letter he wrote to the society at that time, will be of great interest to all those who have in any way been connected with the institution. His letter reads:

Washington, D. C., June, 1913.

Phi Alpha Society:

It is out of the question for me to be with you at the triennial. Your invitation to revisit the college recalls the pleasantest memories of my life, in the rapid development of the state and the surpassing beauty of the location.

In 1846 no sidewalks extended more than four blocks west of the public square. Frink and Walker's Concord coaches brought a daily mail from St. Louis and also from Springfield. There was a worn-out railroad track but not an active locomotive in the state. Prairie chickens fed in cornfields in the present city limits. Pouched gophers threw up their mounds almost at the doors of the college halls.

You see about you the accomplishment of the intervening years. Is our future safe?

In the increased quantity of resources and population, do we increase or even maintain the quality of the earlier days? Are public men more patriotic than John J. Hardin, hero of Buena Vista, or his law partner, David A. Smith or Murray McConnell, a wheel horse of the Democracy or Richard Yates, war governor? Do judges have higher standards of justice than Samuel Lockwood of the state courts or James Berdan of a local court? Is trade in better hands than those of the Ayers, Bancroft, Eames, the Hookens, the Stevensons and Lathrop of the 40's?

Do manufacturers exalt the standards of temperance and integrity set by Stephen Capps? Has farming advanced beyond the standards of the Dunlaps, Mortons, Pitners, Masseys and the rest of those of the early days?

In the college itself is the scholarship and the devotion of Adams, Post, Stertevant and Turner fully maintained or surpassed? Has the student body higher ideals of manhood of citizenship and of duty than had Jayne and Van Eaton, Wilkinson, the Crawfords, Doan, the Irelands and their fellows?

Even in men's gatherings we cannot omit the girls of the old days. I know one who has endured to this day, prominent among useful women, a Jacksonville girl of the 40's and I wonder how many of the girls of today will equal the record made by her and the group to which she belonged.

The need of the times in every man's education is the sense of personal integrity and of public honor. May every Phi Alphan cultivate the virtues and avoid the faults of his predecessors in private and in public life.

Yours sincerely,

James H. Blodgett.

Note: The Jacksonville girl, which Mr. Blodgett refers to in his letter is Mrs. Walworth of New York, daughter of the late John J. Hardin.

THE DRAMA LEAGUE.

So many questions have been asked members of the Drama League about the plan to secure pledge support for plays that the play committee takes this opportunity to explain it.

The Jacksonville center is co-operating with the American League in an effort to secure for the small cities a few fine plays each year by offering a definite pledge of attendance in advance. Circuits are being formed over the country and the best producing managers have approved the plan. For this first season the Jacksonville league is working for three plays, the condition being that a guarantee of five hundred dollars shall be secured in pledges for each play.

The selection of the plays will of necessity have to be left in the main to the national committee as they will have to arrange with the other cities of the circuit and with the managers but three excellent plays will be acted and well produced have been promised and such plays as could not be booked in the small cities were it not for the backing of a chain of centers.

In order that the plan may be worked out satisfactorily, an agreement has been made between Manager Hunt and the play committee as to the scale of prices or seats. Pledges will be secured on a basis of—Parquet and first two rows of dress circle \$2.00; rest of first floor and first two rows of balcony \$1.50. This will give many more seats at \$1.50 and \$1.00 than were allowed by the Schumann-Heink manager and an effort will be made to bring the managers of the three guaranteed plays to agree to this scale.

Any one who so desires may become a guarantor. All guarantors will be given a choice of seats in advance of the public and notices will be mailed before the date of the seat sale. At this guarantors' sale, the number of seats bought will be limited to the number pledged. No passes will be issued to any one for guaranteed plays.

Play Com't, Jacksonville Centre.

CAPITAL PUTS BAN ON DRUNKS
Washington, D. C., July 1.—If the provisions of the new Jones-Works excise law, which became operative today, are strictly enforced the national capital will probably become the most unpopular place on the map in the eyes of those who are in the habit of indulging too freely in liquors stronger than grape juice.

Enforcement of the new law will put an end to the practice of the police, common to almost all American cities, of releasing persons arrested for drunkenness after they have sobered up. The act stipulates that a charge of misdemeanor must be made against a person arrested for drunkenness on the street or in any public place, and that upon conviction he shall be punished by a fine of not less than \$10 nor more than \$100 or by imprisonment for not less than five days nor more than thirty days. It is anticipated that the prospect of a public trial and a few days on the stone pile at Occoquan will cause a regular new year rush for the water wagon now that the law has come into effect.

Hall, 2925 Olive street, St. Louis, Mo. Sold by druggists.

MACMILLAN EXPEDITION ABOUT READY TO START.

Members of Crocker Land Expedition Are Making Final Preparations.

New York, July 1.—Unless some unforeseen delay occurs, the New-foundland whaling steamship Diana will pull out of her berth at the New York navy yard before the end of this week with the members of the Crocker Land expedition on board. The last of the stores and equipment have been taken aboard the stanch little vessel and only a few minor details are to be arranged before the ship is ready to sail on its long and perilous voyage to the Arctic.

The chief object of the expedition, as already announced, is to explore Crocker Land, the mountainous tops of which were seen across polar seas by Peary in 1906. Other regions will be explored southwest of Axel Heiberg Land and north of the Parry regions.

The expedition is under the auspices of the American Museum of Natural History and the American Geographical society, with the co-operation of the University of Illinois and the assistance of the United States navy department and other federal departments as well as many educational institutions.

The leader of the party is Donald B. MacMillan, who accompanied Peary on his trip to the North Pole. The other members of the party have been selected with particular reference to their fitness for the work assigned them. They will include a surgeon, a physicist, a geologist and a biologist, and a zoologist.

After landing at Sydney, the expedition will go as far north as the ice will permit, procuring on its way dogs for the sledges and walrus and whale meat. It will end on the south side of Bache Peninsula, Flagler bay, where the party will make their headquarters. A powerful wireless station will be erected, and here, under the ideal climatic conditions, experiments will be conducted in order to solve the important problem of directing the Hertzian waves. The coming autumn and winter will be utilized in sledging supplies across Ellesmere Land to Nansen Sound and up to Cape Thomas Hubbard at the north end of Axel Heiberg, where the second base of supplies will be established.

With the return of dawn, in 1914 the expedition will make a dash from Axel Heiberg Land across the sea ice to Crocker Land, where the party will divide into three squads, one going northward, the second southward, and the third northeastward into the interior of Crocker Land. Studies will be carried on in glaciers, sea ice, tidal observations, soundings and the fauna of the region.

Late in the spring before the sea ice breaks up, the party will return to its base and geographical work will then be carried on around Ellesmere Land and Grant Land. The main party will return to Crocker Land, if the region proves to be what is expected, in the early spring of 1915, for additional exploration. But in case Crocker Land does not yield work to the extent expected and it should not seem advisable to return to it a second time, the second field season, in 1915, will be devoted to an expedition eastward from Ingfield Gulf to the great summit ice cap of Greenland at its widest part, the work supplementing that of Peary and other explorers.

Through the medium of wireless telegraphy the expedition expects to keep in constant communication with civilization. The wireless equipment will be installed on the sledges similar to that in the army. Sending and receiving messages will be practised at the headquarters on Flagler Bay, which is about 650 miles south of the pole. The messages will be relayed through Cape Woistenhof, Hudson Straits, and from Port William, Hudson Bay, and the Canadian government.

Another interesting feature, in addition to the erection of the powerful wireless station at Flagler Bay, will be the establishment there of a seismographic station, and it is expected that earthquake observations of scientific value will be made.

The expedition is equipped for a three years' stay in the polar regions, with instruments for making observations and records in many branches of science. A powerful motor boat and a large whale boat are included in the equipment, also an apparatus for taking motion pictures. Most of the meat supplies will be obtained by hunting, the game consisting of musk ox, caribou, seal, walrus, arctic seal, narwhal and ducks.

FINAL SPECIAL TAX NOTICE.

In the matter of the special tax of the city of Jacksonville for the construction of a vitrified pipe sewer on Dunlap street.

Notice is hereby given to all persons interested, that the Board of Local Improvements of said city has heretofore filed in the county court of Morgan county, Illinois, in said cause, a certificate showing the cost of the work, the amount reserved for interest, and also that the improvement has been constructed in substantial conformity to the requirements of the original ordinance therefor.

The hearing to consider and determine whether or not the facts as stated in said certificate are true, will be held in said court on the 24th day of July A. D. 1913, at 9 o'clock or as soon thereafter as the business of the court will permit.

All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

Board of Local Improvements of the City of Jacksonville, Ill.

By E. M. Henderson, Secretary.

Dated Jacksonville, Ill., June 9, 1913.

GIVE UP JOB AS HOPELESS.

Chicago, Ill., July 1.—The American Railroad Employees and Investors' association, which was formed about five years ago for the purpose of trying to check legislation hostile to railroads and also to bring about a better understanding between the railroads and their employees, closed its offices in this city today and ended its existence. While the official announcement of the disbanding says the railroad association is satisfied that the work of the association is accomplished, it is said that as a matter of fact the roads have given up the job as hopeless. It is pointed out that more states are passing legislation detrimental to railroads each year and the employees are getting more radical in their claims. P. H. Morrissey, who has been president of the association since its formation, has accepted a position as assistant to the vice-president of the Burlington road. Before becoming president of the association Mr. Morrissey was at the head of the Brotherhood of Railroad Trainmen.

BIDS WANTED.

The city will receive bids for an electric generator and engine, to comply with the following specifications:

200 K. W. 3 Phase, 60 cycle, revolving field, 2,300 volts, 200 R. PM, direct connected, 16x24 inches, 4 valve engine.

Bids are asked on used equipment and must be filed in this office by 10 a. m., Wednesday, July 9th. The right is reserved to reject any or all bids.

O. R. Knollenberg, Commissioner of Accounts and Finance.

CHICAGO & ALTON WEEK-END EXCURSIONS.

\$2.00 round trip East St. Louis. \$2.25 round trip to St. Louis. Going all trains Saturday and Sunday. Returning all trains up to or including first train Monday morning.

NEWS IN BRIEF.

University Crop Report—Oats are lost, wheat is in fair shape, and corn has an excellent chance following the rains, according to the reports of the college of agriculture of the University of Illinois. These reports are gleaned from all parts of the state. The rains that passed over the whole state did incalculable good, says the professors. They said to day that corn in the southern portion of Illinois is in better shape than corn in the northern part.

Jap Hits Upon Novel Plan.

Namba, a Leavenworth Japanese has hit upon a plan to acquire to all intents and purposes, real estate in the state of Washington. He recorded a contract of sale from Mary Ralston to himself of a certain lot in Wenatchee. There is no law prohibiting contracts for land by Japs.

Namba is to receive a deed in 1917 upon a payment of \$5,000 in installments. He expects to sell the land at a profit by that time.

Farmer Killed By Lightning.

Curis Cozart aged 36 of Carmi was killed by lightning Monday as he was driving a team from his field to escape a rainstorm.

Fire Marshal Gives Warning.

In view of the nearness of the Fourth of July, the state fire marshal's department has issued two bulletins designed to serve as warnings in connection with the use of toy pistols and gasoline.

Attention is called to the new law effective July 1, which prohibits the selling or giving away toy pistols so constructed that blank cartridges may be shot in them. It is stated that many accidents occur each Fourth from such weapons.

Another bulletin calls attention to the new law of Illinois requiring that all gasoline receptacles be labeled plainly in red. Each label must contain the word "gasoline."

Col. Lang Resigns.

Announcement was made Monday of the resignation from the position of chief clerk of the adjutant general's office of Col. Edward J. Lang. The resignation may be effective to day. It is probable he will be succeeded by Harry Johnson, one of the recent acquisitions to the office clerical force.

Colonel Lang, who is commanding officer of the Fourth infantry, will go to northern lakes for a month's vacation. He will return to this city when his regiment the Fourth, goes into camp later in the encampment season. Further than that his plans have not been announced.

Canon to Run Again.

Former Speaker Joseph Cannon said at Rockford Monday night that he will stand for the Republican congressional nomination a year hence if his constituents wish.

Cannon to Decatur—Rev. W. H. Cannon, pastor of the First Christian church at Pittsfield, Ill. has been nominated for the pastorate of the Central Church of Christ at Decatur. The elders at a meeting Sunday afternoon recommended to the deacons that they bring Mr. Cannon's name before the congregation and that a call to the pastorate be extended to him.

Closes Long Pastorate—Dr. W. H. Penabazog closed his twenty-four year pastorate of the First Presbyterian church at Decatur in a union farewell service at 8:30 Sunday evening.

Two Daughters Marry—Father: Also—Carter Leach, a farmer and widower of Mary ownship near Taylorville had two daughters married last week and he followed suit Saturday night, taking as a bride Mrs. Ida Stiles, a widow living near Owaneco.

Injured in Runaway—James Walker, a young man employed on the farm of James Maslin near Virginia was badly hurt Monday night when the horse he was driving became frightened at a passing automobile, ran into a telephone pole, and

threw Mr. Walker against the side curbing. His right arm was fractured, and it is feared that sustained serious internal injuries.

Any Stamps Good For Parcel Post—The new parcel post order permitting the sending of C. O. D. parcels and the use of any kind of post stamp upon parcel post packages went into effect yesterday.

Both features of this new order are highly important. The stamp clause not only permits the use of ordinary postage stamps on parcel post packages but allows the use of parcel post stamps on letters or other class of mail matter. The old post stamps and also the registered stamps will be discontinued if the present supply is used up.

QUICK RELIEF FOR RHEUMATISM.

Says: "Dr. Detca's Relief Rheumatism has been a wonderful benefit to my rheumatism. She could not lift hand or foot to be lifted for two months. I began to use of the remedy improved rapidly. On Monday could not move and on Wednesday she got up, dressed herself, walked out for breakfast." Sol L. P. Alcott, druggist.

FINAL SPECIAL TAX NOTICE.

In the matter of the special tax of the city of Jacksonville for the construction of a vitrified pipe sewer on Duolin avenue and Cox street.

Notice is hereby given to all persons interested, that the Board of Local Improvements of said city has heretofore filed in the county court of Morgan county, Illinois, in said cause, a certificate showing the cost of the work, the amount reserved for interest, and also that the improvement has been constructed in substantial conformity to the requirements of the original ordinance therefor.

The hearing to consider and determine whether or not the facts as stated in said certificate are true, will be held in said court on the 24th day of July, A. D. 1913, at 9 o'clock or as soon thereafter as the business of the court will permit.

All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

Board of Local Improvements of the City of Jacksonville, Ill.

By E. M. Henderson, Secretary.

Dated Jacksonville, Ill., June 9, 1913.

John Mullenix, who has been employed at Coover and Shreve's store expects to leave soon for Santa, Ind., where he has secured similar position with a drug firm.

WHITE SOX CAPTURE SECOND FROM TIGERS

CHICAGO TAKES GAME FROM DETROIT BY 3 TO 2 SCORE.

Tigers Out Hit Cubs Two to One But Their Four Errors Were Largely Responsible For Their Defeat—Cobb Injured.

Detroit, Mich., July 1.—Chicago took the second of the series from Detroit today 3 to 2; though out-hit by the home club two to one, Cobb injured his knee sliding to second in the eighth inning, High replacing him in center field. Score: Chicago, AB. R. H. O. A. E. BOSTON BRVES BUNCH HITS OFF CURTIS AND WIN

Bean Eaters Overcome Brooklyn's Lead and Score Five Runs in Fourth, Winning 6 to 3.

Brooklyn, July 1.—Boston made it two straight with Brooklyn to day winning by 6 to 3.
The home team strated off like easy winners getting a lead of two runs off Radolph. The visitors got to Curtis in the fourth and batted him out of the box scoring five runs. They got another in the sixth while the locals failed to increase their score.

Club. AB. R. H. E. Boston 000 501 000—6 8 1 Brooklyn 110 100 000—3 8 1 Batteries—Radolph and Rariden; Curtis, Yingling and Miller.
Louis Gause of Superior avenue is in Pisgah doing painting work this week.

CHANCE PROTESTS GAME WHICH ATHLETICS WIN 2 TO 1

New York Manager Bases His Protest on Umpire Dineen's Ruling.

New York, July 1.—Frank Chance protested to day's game which Philadelphia won from New York 2 to 1, the New York manager basing his protest on Umpire Dineen's ruling in the fourth inning when he sent Borton back to bat after he had made a scratch single and Barry had hit Umpire Dineen on the head in relaying the ball to first base after Collins' stop. Hartzell crossed the plate and Borton reached second when the ball bounced away but both were sent back, Hartzell to second base and Borton to the plate.
Club. AB. R. H. E. Philadelphia 000 002 000—2 5 1 New York 000 100 000—1 5 5 Batteries—Bush, Houch and Schaang, Laap; Fischer, McConnell and Sweeney.

REDS WIN SLUGFEST FROM CARDS

Cincinnati Gathers Total of Seven Ten Hits Off St. Louis Hurlers and Wins 11 to 4.

Cincinnati, O., July 1.—Cincinnati indulged in a batting bee and easily defeated St. Louis to day 11 to 4.
Benton and Bescher of Cincinnati carried off the batting honors, each getting three hits, the former two singles and a triple and the latter a single, a double, and a triple.
Club. AB. R. H. E. Cincinnati 002 100 100—10 10 0 St. Louis 001 035 20—11 17 2 Batteries—Gainer, Steele and McLean; Benton and Clark, Blackburn.

WARNING.
The ordinance prohibiting the sale and use of explosives known as dynamite caps, giant crackers, blank cartridges and toy cannons within the city limits of Jacksonville will be strictly enforced.

GIANTS WIN SECOND IN EASY FASHION FROM PHILS

Marquard Allows But Four Hits and No Passes and New York Takes Game 10 to 0.

Philadelphia, July 1.—New York had a walk over in the game here to day, winning by ten to nothing and increasing its lead in the National League race.
Marquard was almost invincible, the home team getting only four hits and no passes off him and only one Philadelphia reaching third base.

PARCELS POST C. O. D.

Washington, D. C., July 1.—Another heavy blow is dealt the business of the express companies by the C. O. D. parcels post service which the postoffice department puts into operation today. The regulations governing the new service are practically identical with those of the express companies. With the lower rates by parcels post it is expected that much of the C. O. D. business of the express companies will be diverted to the mails.
Under the rules of the C. O. D. postal service the sender of a package on which the postage is fully prepaid may have the price of the articles and the charges thereon collected from the addressee, provided the amount does not exceed \$100. The fee for each collection is ten cents, to be affixed by the sender to the package in parcel post stamps, in consideration of which the contents are all issued against loss without additional charge to an amount equivalent to its actual value not to exceed \$50.
W. C. Hidden of Beardstown was transacting business in the city yesterday.

NOTES FROM THE LABOR WORLD.

Upholsterers employed in Cincinnati factories have formed a union. The United States employs 7,500,000 persons in its 275,000 mills and factories.
The salary of Joseph Weber, president of the American Federation of Musicians, has been raised to \$5,000 a year.

The annual convention of the International Steel and Copper Plate Printers' union will be held next month in Chicago.
Cornelius J. Ford, named by President Wilson for the position of government printer, is president of the New Jersey Federation of Labor.

W. D. Huber, for many years a vice president of the American Federation of Labor, celebrated his 60th birthday recently at his home in Indianapolis.
The American Federation of Labor is inclined to be jubilant over the fact that the first time in its history its membership now exceeds the 2,000,000 mark.

The Brotherhood of Locomotive Firemen and Enginemen has voted in favor of admitting to membership all employees engaged in the operation of electric locomotives.

A handsome monument to the memory of the late Matthew J. Hart, president of the National Federation of Cloth Weavers of America, has been erected over his grave at New Bedford, Mass.
United States Consul General John L. Griffiths of London believes that no more efficient agency than the government labor exchange has ever been devised in England to relieve the congestion of labor by securing for it a more even distribution.

Coal miners are already preparing for the joint conference next year to make a new wage scale for the competitive states. Ohio miners have declared for payment on the mine-run system, for a six hour day and a working week of five days.
The Kingston, Ont., branch of the Journeymen State Cutters of North America was organized in 1900, and since that time the wage scale has been advanced from \$3 per day of ten hours to \$4 per day of eight hours, without resort to strike.

Salt Lake City is preparing to entertain the annual convention of the Amalgamated Association of Steel and Electric Railway Employees of America, which is to meet in that city for a five days' session during the first week of September.
The members of the United Brotherhood of Carpenters and Joiners and of the Amalgamated Society of Carpenters and Joiners are about to vote on a "plan of solidification," which it is hoped will dispose of a faridical question which has caused much annoyance in years past.
The Labor party of South Africa, which is based upon the principles of socialism, like the labor parties in other countries, is reported to be making rapid progress in politics. At the present time the party has one member in the senate, five in the lower branch of parliament, several in the Transvaal state legislature, and numerous others holding offices in the municipal governments. The vote of the party is increasing very rapidly in the larger cities.

A STRONG REFERENCE.
A young man recently applied for
a position with a large printing
house, and not having a letter of
reference, offered his bank book. It
showed a regularity of entries of de-
posit. It was a very strong recom-
mendation, indicating character and
persistence, which finally secured for
him a good position.

THE WORLD'S LATEST FINANCIAL AND MARKET NEWS

STOCK MARKET SHOWS
DISTINCT IMPROVEMENT

IN SOME PARTS LIST MAKES
FAIR GAINS.

Harrimans, Coppers and Coilers
Show Most Strength—No Effect of
Disbursement of July 1st Interest
and Dividend Payments Shown.

(By Associated Press)
New York, July 1.—Although the
stock market remained in a semi-
stagnant condition today, there was
a distinct improvement in tone, in
some parts of the list fair gains were
made with the Harrimans, Coppers
and Coilers showing most strength.
The day began with renewed bear
selling which was most effective in
Union Pacific, Reading, Lehigh Valley
and Canadian Pacific. Chesapeake
and Ohio also was heavy. Decline
a point to 52, a new low level.
Bear selling failed to shake out long
stock, however, and traders reversed
their position. The market rose easily
when covering was attempted and
at the close trading became more ac-
tive on the upturn with Union Pacific
leading the advance.

The money market showed no ef-
fect of the disbursement of July 1st
interest and dividend payments. If
no other result is produced some re-
flection is looked for of the poor
showing made by the banks in last
Saturday's statement owing to prepa-
rations for today's payments. Six
months loans carrying into 1914
were negotiated today on a basis of
5% per cent which marked no change
from recent rates but was significant
mainly from the fact that it indicated
an indefinite continuance of the
stiffer tendencies for long maturities.

BUY THE BEST BREAD

"Knead, Knead, Knead,
Till the Woman is nearly dead,
Till her wrists both ache,
And her fingers hurt,
(And later she'll sew and iron a shirt).
Why don't she try **HOLSUM** Bread?"

Home-baking is as bad as the "sweat-
shop" that the poet writes about—only
worse, because it is unnecessary.

HOLSUM saves you this, and is just
as good for the family.

Accept No Other
HOLSUM is clean—no human
hands touch it.
HOLSUM is large. Its size
keeps the goodness in and the
dryness out.

Ask Your Grocers for Holsum and Butternut Bread

ARKANSAS REPUBLICAN CONVENTION

Little Rock, Ark., July 1.—Ar-
kansas Republicans met in state
convention here today to nominate
a candidate for governor to succeed
Governor Joseph T. Robinson, who
resigned to accept election to the
United States senate. The
gubernatorial election will be held
July 23.

Does Your Stomach Trouble You?

MAYR'S Wonderful Stomach Remedy
is Successfully Taken in
Cases of Stomach, Liver
and Intestinal Ail-
ments.
And One Dose Has Often Dispelled
Years of Suffering.

MAYR'S
Wonderful
Stomach Remedy
will change
that
Long Face!
MAYR'S WONDERFUL STOMACH
REMEDY can really be termed a won-
derful remedy and the benefits that it
gives in many of the most chronic cases
of Stomach Trouble has spread its fame
from one end of the country to the other.
No matter where you live—you will find
people who have suffered with STOM-
ACH, LIVER AND INTESTINAL AIL-
MENTS, etc., and have been restored to
health and are loud in their praise of
this remedy. There is not a day but
what one hears of the wonderful results
obtained from this remedy and the ben-
efits are entirely natural, as it acts on the
source and foundation of these ailments,
removing the poisonous catarrh and bile
accretions, taking out the inflammation
from the intestinal tract and assists in
rendering the same antiseptic. Sufferers
are urged to try one dose—which alone
should relieve your suffering and con-
vince you that MAYR'S WONDERFUL
STOMACH REMEDY should restore you
to good health. Put it to a test today—
the results will be a revelation to you
and you will rejoice over your quick re-
covery and once again know the joys of
living. Send for booklet on Stomach
Ailments to Geo. H. Mayr, Mfg. Chem-
ist, 156 Whiting St., Chicago; or better
still, obtain a bottle from your druggist.
For sale in Jacksonville by Armstrong's
Drug Store, southwest corner square.

the home of H. H. Wells.

MOTHERS' PENSIONS IN JERSEY
Trenton, N. J., July 1.—County
clerks throughout New Jersey report
numerous applications for widows'
pensions under the new state law
which became operative today.

Under the provisions of the law a
pension of \$9 a month is to be paid
to widows with one child under the
age of 16 years. Fourteen dollars
a month will be allowed for two
children under 16, and \$4 a month
for each additional child under
that age.

TO ALL PERSONS INTERESTED.

In the County Court of Morgan
County, Illinois, ss.
County of Morgan, ss.
In the County Court thereof, to the July
Term, A. D. 1913. In Probate.

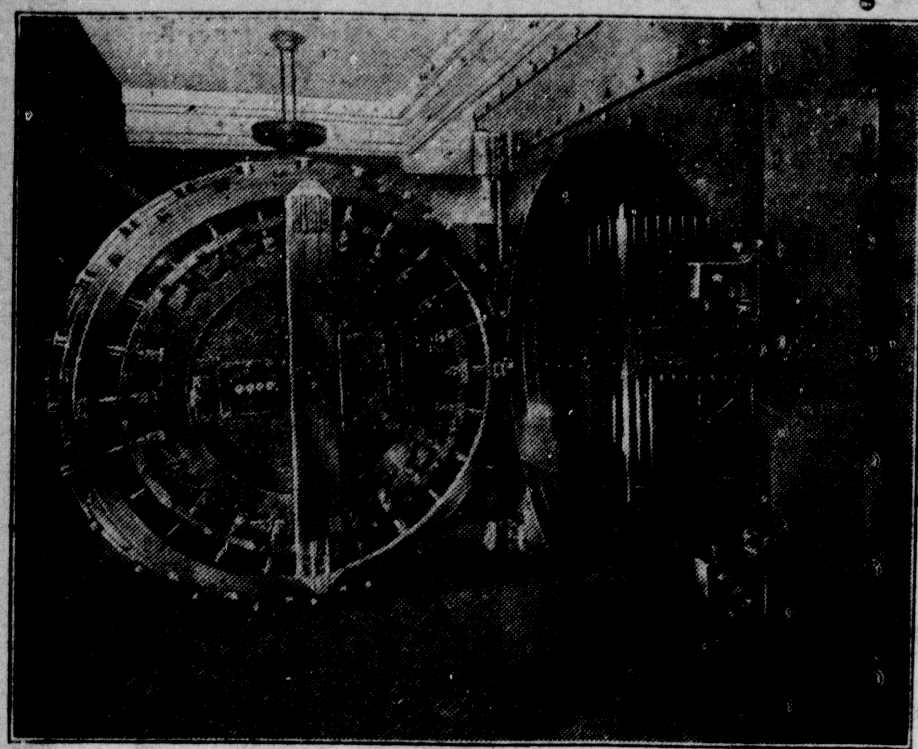

In the Matter of the Mauvaisterre Drain-
age and Levee District, of Morgan
County, Illinois.
Public notice is hereby given that a
petition was filed in said court on the
30th day of November, 1912, asking for
the formation of said district and still
remains on file therein. That afterwards
said district was organized by the court
and commissioners appointed therein and
that said commissioners did on the 1st
day of July, A. D. 1913, file in said court
their report and said report still remains
on file. That the starting point of the
proposed work is as follows:

Beginning at a point 570 ft. s. and 100
ft. W. of the N. W. cor. of the S. W. 1/4
of the N. W. 1/4 of sec. 15, T. 15 N., R.
10 W. of the 3rd P. M., this being the
point in the center of Mauvaisterre creek
where it divides into two branches and
Sta. O of the ditch; thence in a course
N. 61 deg. 50 min. W. 687 ft.; thence N.
72 deg. 48 min. W. 412 ft.; thence N. 62

The AYERS SAFE DEPOSIT VAULT

A SAFE DEPOSIT BOX is not a luxury but a necessity to the owner of stocks, bonds, deeds, mortgages, insurance policies and other valuable papers.

ANXIETY about jewelry or silverware not in use is dispelled when it is kept in a Safety Deposit Vault.

PRIVATE SAFE DEPOSIT BOXES in this great vault, protected by over 190 tons of steel, rent for less than a cent a day.

PRIVATE LOCKED COUPON ROOMS behind the grille work with desk, chair and writing material are at the disposal of the patrons as often as desired.

VISITORS WELCOME—An attendant will always be found at the vault who will be glad to show you through.

AVIATOR "JIMMY" WARD HAS DOMESTIC TROUBLES

Wife of Bird Man Who Was Seen in Flight at Jacksonville a Short Time Ago Tried to End Her Life.

Aviator "Jimmy" Ward, who was in Jacksonville a few weeks ago with the Motordrome company and was seen in but two flights during the three days meet, has been delving into domestic troubles recently. It will be remembered that while in Jacksonville Jimmy had with him his charming wife, a beautiful girl. It seems that Ward had given a fight at Delavan, Wis., and while there and at two or three other places his wife had gone to her home in Indiana Harbor for a short visit. When the two met in Chicago later at the Congress hotel, she began to accuse Ward of paying too much attention to the other girls and one word brought on another, until Mrs. Ward went to the medicine chest, grabbed a bottle and swallowed the contents. Fortunately she only got alcohol and Dr. J. C. Spruce soon brought her around again. Jimmy in explaining the whole affair said: "Well, you understand, of course, that a man in my business gets many unsolicited notes. My wife has been ill and she is a bit jealous. Her attempt to end her life came about when a bellhop at the hotel appeared at the door with a bundle of the sweetest fool letters you ever listened to."

Attend the Jacksonville Driving club booster day, July 4. Good program of races.

MRS. RENWICK SOMEWHAT IMPROVED

A telegram and a letter received Tuesday from Minneapolis by John H. Russell brought the information that Mrs. Helen Barr Renwick who is very ill is slightly improved. Mrs. Renwick has been in a serious condition on account of a blood infection from tonsillitis and the amputation of one foot has been considered. However, no amputation has been made and will not be resorted to if the patient continues to improve. The statement published Tuesday evening that William Huffman had received a telegram that an operation would be performed was incorrect as Mr. Huffman had no such telegram or information.

Men's mid-summer weight UNDERWEAR that fit the wearers, are sold by FRANK BYRNS' Hat Store.

DELAWARE TRIBE INSTALLS.

At the regular meeting of Delaware tribe No. 78, I. O. R. M., held Tuesday evening the semi-annual installation of officers was held. Following the work a delightful social time was enjoyed when refreshments consisting of ice cream and cake were served. A list of the officers follows:

Sachsen—Philip Dooling.
Senior Sagamore—R. L. Pratt.
Junior Sagamore—J. H. Lyons.
Prophet—Percy Dooling.
Trustee for 18 months—Percy Dooling.

Hopple Spring Water. Ebnie's.

Friday July 4th, 1913 will be observed at the postoffice. There will be two deliveries in the business district, one at 7:50 a. m. One at 9 a. m. One collection in business district at 9 p. m.

There will be no delivery on rural routes. Office will be open from 9:15 until 10:15 a. m.

John J. Reeve, Postmaster

CARD OF THANKS.

We wish to thank the many friends and members of the W. R. C. who assisted us during the illness and after the death of Mrs. Craig, also for the many beautiful flowers, George Craig and Family, Miss Katherine Ennis.

NEW BILL BOARD.

T. S. Scott is having erected a new bill board opposite the Hippodrome. It is made of galvanized sheet iron which is found to be more serviceable than wood.

ANNOUNCEMENT

I am in position to do printing of every description and have the latest type. You are making NO mistake in calling me up over Illinois phone 1113 for a trial printing order.

"Do it now."

Chester E. Gouvela.

MET WITH ACCIDENTS.

Charles Harney, while working on the residence of George Cunningham in Woodson fell from an 18 foot scaffold, Tuesday at 11 a. m., receiving severe injuries about his hips and body. Medical aid was summoned and the injured man removed to his home, where he will be confined for some time. His daughter Ella, who had gone to Roodhouse to visit with the family of Joseph Rock, was called home on account of the accident.

Suffers Loss of Finger.

Milton Lorton, an employe of the Chicago & Alton, as a section man, lost the third finger of his right hand Tuesday morning about 7 o'clock. He was on a motor speeder going from Woodson to Murrayville. The car jumped the rails when he had gone only a short distance and his finger got caught in one of the cog wheels. Dr. G. W. Miller and Dr. W. O. Webster gave him the necessary medical attention.

Fall Proves Fatal.

Friends in the city have received the sad news of the death of Miss Lena May Zook at her home in La Grange, Ill. The young lady was out in the orchard with her father, who was picking cherries. Her father was at the top of the ladder and his daughter climbed up about half way when she fainted and fell to the ground, breaking her neck. She was a beautiful girl and had just graduated from the La Grange township school. She was 19 years of age. Her father, J. D. Zook is a well known electrical contractor. Her brother, Jack Zook, has often visited in Jacksonville. Miss Katherine Hardin, a friend of the family, has gone to La Grange to attend the funeral services.

Don't wait until the 4th. Buy the children's fireworks today. Obermeyer.

CITY AND COUNTY

Mrs. Elizabeth Hopper has returned to her home in this city after a visit of a week with her son John Hopper of East St. Louis.

Mrs. Roy Evers of South Sandy street is pending a few days at the home of Mr. and Mrs. B. E. Byers in the Lynnville neighborhood.

Mr. and Mrs. B. E. Williams of West State street left Tuesday for Cummings, N. D., for a month's stay with Mrs. Williams' parents, Mr. and Mrs. Alvin Taylor.

Misses Thomasena Clerihan, Margaret Stranberg, Eula Nunes, Leona Ornelas, Ethel Bishop and Ethel Ricks are planning to spend the Fourth with friends in Decatur.

Miss Mary Sherry of Murrayville and Miss Carrie Curtis of Manchester who have been employed at the School for the Blind, have returned to their homes for a two months vacation.

The C. W. B. M. will meet Thursday afternoon at the Christian church on West Anna street at 3:30 o'clock. All are invited. Nellie Early, president; Mrs. H. Davis, secretary.

Mr. and Mrs. Henry Baskett will go to Springfield to day to spend a week visiting friends.

Misses Etta and Florence Blackburn of Ebenezer were among the Jacksonville visitors Tuesday. Miss Etta returned recently from Champaign where she was engaged in teaching china painting.

Mrs. J. C. Miller and children have gone to Fostoria, Ohio, for a visit with relatives. They were accompanied as far as Finley, Ohio, by Mrs. J. A. Miller who has been visiting in the city with her son, J. C. Miller.

Mr. and Mrs. Fisher, son and daughter were visitors in the city yesterday in their Cadillac automobile. They were on their way from Mansfield, Ill., where they had been visiting relatives, to their home in Brant, Kan.

R. Y. McLellan of Peoria, the general passenger agent of the C. P. & St. L., was in Jacksonville Tuesday calling on representatives of the A. H. T. A., the Painter union and the Knights of Columbus with regard to future excursions.

I. M. Bunce has returned from a visit with relatives and friends in Virginia. He was interested in the new pavement which is being made from the depot to the town proper and the work has advanced so far that the brick will soon be laid. Mr. Bunce states that the recent hot weather has been especially bad on horses in Cass county, twelve having died in the vicinity of Virginia.

Mrs. H. P. Rodrigues and Miss Virginia Thompson of Chicago are expected to arrive in the city this morning for a visit at the home of Mrs. Rodrigues' mother, Mrs. James Scott of North Fayette street.

All of the 1913 vintage fireworks at Obermeyer's.

PASSION PLAY PICTURES

AT THE GRAND.

The Passion Play with a very interesting and ably delivered lecture was greatly appreciated by a large audience at two shows last evening at the opera house. There are three beautiful hand colored reels, the original Pathe production of the Life of Christ, and the music played in connection five other reels were showed, making in all eight reels of beautiful films. Tonight's program will contain besides the Passion Play and lecture, 5 other complete changes of reels.

This sacred drama was taken at an expenditure of \$375,000.

The highest point is reached in the art of life motion photography. How grand the opportunity to witness the scenes of Egypt and the Holy Land, where our Savior once walked. It fixes the mind on the subject: "The Christ." Clearly and distinctly does it unfold the scenes and incidents of His life, portraying it so plainly, so beautifully, that the smallest child shall know and understand the beautiful, sublime and simple story of the Passion Play.

FINANCIAL COMMITTEE OF CHAUTAUQUA MEETS

Programs Will Be Ready For Distribution Next Week — Other Preparations For the Educational Festival.

The financial committee of the Jacksonville chautauqua held a meeting Tuesday. The contract for printing 10,000 programs was let to the Roach Printing company. These programs are to be out next week. The transportation committee, of which James Elliott is chairman, has made arrangements with the Cherry livery to transport people to and from the end of the street car line to the tent, the round trip to be five cents. The city engineer is drawing up a plat of the chautauqua grounds, locating the various tents. The main tent will be almost in the same place as last year. Bernard Gause, who has charge of the exhibition features of the chautauqua expects to have water proof places for the exhibits which will consist of agricultural, mechanical and everything made in Jacksonville also the child's welfare exhibits.

William B. Ottwell of Carlville, will be here the first day of the chautauqua to talk to the children. Reports are already coming in from the various Sunday schools of the county that they expect to have floats and other attractions, so that the parade and other features of the first day's program will be well worth seeing. Tickets will be issued to the children free of charge on this day which will admit them to the grounds. On each ticket will be printed three songs, which the children will sing. Mrs. Van Loon, a grand opera singer of New York will be among the attractions not yet mentioned by the program committee. She will sing with the Linnes band. Prof. Franklin, the celebrated flutist of the Boston grand opera will also be a soloist with the band.

Superintendent W. B. Miser has promised to give the public splendid service on the car line and plenty of cars will be used and a good schedule of time provided.

Fireworks at Obermeyer's. Big line.

WITH THE SICK.

Robert Boyd of South Main street is confined to his home by illness.

Miss Jeanette Vose, who made a recent visit to her home in Perry, Pike county, came in contact with some poisonous ivy, which has made her quite sick. She is now at the home of C. S. Smith, 223 Caldwell street.

Charles Cully of the J. F. Claus Tea company has resumed his duties at the store after an illness of four weeks.

FRACTURED WRIST.

Grant Weir recently had the misfortune to fall from his bicycle and as a result fractured his right wrist and he will thus be disabled for some time.

SOCIAL EVENTS.

Tuesday was the twelfth birthday of the daughter of Rev. Mr. and Mrs. Ira Smith of Woodson, and in honor of the event a party was given last evening, which was a delightful affair in every way.

The Woman's Foreign Missionary society of Grace M. E. church met Tuesday at the home of Mrs. R. A. Gates on West Lafayette avenue. The devotional was led by Mrs. John Berry and the paper of the afternoon was by Mrs. J. R. Harker on "Gala Day in Mission Land." The questions of the mystery box were used and the entire meeting proved interesting. Light refreshments were served.

Take a day off and attend the races at the Driving park, July 4th.

DECORATE DECEASED

KNIGHT'S GRAVES.

In accordance with an annual custom of Knights of Pythias a committee from Jacksonville lodge No. 152 composed of officers and members, went to Diamond Grove and Jacksonville cemeteries Sunday and decorated the graves of deceased knights. The members of the committee met at Castle Hall and went to the cemeteries in automobiles furnished by G. B. Andre, John T. Hoffman and Fletcher Hopper. Fifteen graves at Diamond Grove and one at the Jacksonville cemetery were decorated and the committee was composed of E. E. Grassly, J. F. Kellogg, Fletcher Hopper, J. T. Bowen, John T. Hoffman, John S. Sheppard, L. H. Pratt, Harold Lane, R. I. Dunlap, J. B. Selbert, James I. Graham, Pearl Hughes, Capt. Linden and Henry Hein.

STRAUSS' EMPORIUM.

BROOKLYN SUNDAY NIGHTS.
The first of the open air services of Brooklyn church were held last Sunday night when there was a large attendance. A full chorus gave all the regular musical numbers and J. A. Starr sang "The Ninety and Nine" in an impressive manner. Pastor Alkire discoursed on "Lost Treasures" emphasizing the point that a penitent soul is the only thing on earth that can send joy up to heaven. Next Sunday night there will be a patriotic service and the following Sunday night "Step-mothers" will be considered.

THE TEMPERATURES.
The temperatures for Tuesday, according to G. H. Hall, weather observer were maximum 87, minimum 71. A rainfall of .18 inches was recorded.

MALO

is a delicious prepared icing and filling for cakes and dressing for all kinds of fruits, fruit salads, short cakes, pastries, hot chocolate, &c., served where you would whipped cream. More satisfactory and cost less. Any flavor may be added or any color added.

MRS. JAMES G. CAPPS MEETS WITH PAINFUL ACCIDENT

Cuts Hand and Body Severely With Glass When She Accidentally Falls Down Back Stairway.

Thinking she was going back into her bed room, Mrs. James G. Capps, who resides at 1018 West College avenue, lost her bearings Tuesday night and instead fell down the back stairway. She was carrying a tumbler of water and the glass cut her about the face and body and almost severed the middle finger of the right hand. The night was quite warm and Mrs. Capps had gotten up about midnight to get a glass of water. After procuring the tumbler of water, she started back into her bed room, but became confused and walked into the back stairway. As she fell almost to the bottom of the stairs her hand was cut severely by the broken glass, the middle finger of the right hand almost being cut off. The glass also cut her some about the face and body. Dr. Carl E. Black and Dr. Josephine Milligan were called and she was given an anesthetic and the injury dressed. Mrs. Ward also suffered greatly from the shock, but yesterday was resting easier.

Jacksonville Driving club will give matinee of six races July 4. Jeffries band will play.

ELLIOTT STATE BANK

SAVINGS DEPARTMENT

A typographical error in Tuesday's issue of the Journal made this bank's advertisement read that savings deposits received on or before July 19th will bear interest from the first of the month. This was a printer's mistake and the advertisement should have read that savings deposits received on or before July 19th will bear interest from the first of the month. We are pleased to correct the error.

Jacksonville Lodge No. 570 A. F. and A. M. will hold special meeting Thursday afternoon, July 3rd beginning at 1 o'clock for work. This is expected to be a meeting of special interest and all Masons are cordially invited to meet with us.

BIRTH RECORD.

Born to Mr. and Mrs. Eugene Wilson of South Diamond street, a daughter.

Born, Tuesday to Mr. and Mrs. George Atherton of Cincinnati, Ohio, a son, George Harker Atherton. Mrs. Atherton was formerly Miss Jennie Harker of this city.

MORLUARY

Craig.

Funeral services for Mrs. Margaret S. Craig were held at 10 o'clock Tuesday morning at the residence of Miss Katherine Ennis, 604 South Main street, in charge of Rev. H. D. French, pastor of the State street Presbyterian church, in the presence of a large gathering of relatives and friends. Music was furnished by a quartet composed of Miss Cunningham, Mrs. Kate Hollinger, John Johnson and Rev. Mr. French and the flowers, which were many and beautiful were cared for by Mrs. Mason, Mrs. Bland, Mrs. Frank Piepenberg and Mrs. Dana Liles.

Interment was made in Diamond Grove cemetery and the bearers were William Mason, William Spire, A. P. Vasconcellos, Harry Dobyns, Ensey Moore and F. M. Morton. Mrs. Craig, whose maiden name was Margaret Staley, was a daughter of Joseph and Rebecca Staley and was born in Fredericks, Md., July 11, 1830 and when she was quite young the family moved to this city. Later Mrs. Craig returned to Maryland where she was married to William T. Craig, who preceded her in death thirty years ago. She was educated in the schools of this city and graduated from the Jacksonville Female academy in the class of 1846, and for a number of years has been the oldest living alumnae of that institution. She was a member of the State Street Presbyterian church and the oldest living member of the Woman's Christian Temperance union. She was also a member of the Woman's Christian association. Mrs. Craig was a woman who made friends readily. She was charitable and during her lifetime, both through her membership in charitable organizations, and in her private life did a large amount of good work. She is survived by one sister, Miss Rebecca Staley, who makes her home with her nephew Henry Stevenson of West College avenue, and one brother, John Staley of Forest City, Mo.

Martial.

George Martial Sr., aged 58 years passed away at the Jacksonville State hospital, Monday afternoon at 5 o'clock. The remains were taken to the Reynolds undertaking establishment and Tuesday morning were sent to Pisgah for interment.

Beard.

Mrs. Ellen Bean died at her home in Maroa after an extended illness. The deceased was past seventy years of age and was formerly a resident of this county. She was a sister of the late Julius Pratt of Joy Prairie and a woman whose life was such that she was held in the highest esteem by all who knew her. Mrs. Addie Williams of this city who has been at Maroa for several days and others will go to day to be present at the funeral. Among them will be Mrs. Alice Joy, Miss Ellen Pratt, Mr. and Mrs. S. W. Carter.
